Candidate statement	<p>I have been engaged actively in working with Condo Associations for 8 years. I think I have learned a good deal about how to help them to gather info and then apply the lessons others have learned. I am hoping I can also to help support the Property Managers who have a tough job to do.</p> <p>I have served on several boards, currently with the Columbus Apartment Association, NARI of Central Ohio, and Homeport. I have also served as an officer for these organizations. I would be hopeful that I could share some of what I have learned from these other organizations as well.</p> <p>And this is simply a group of some great people. I would welcome the chance to spend more time with them.</p>
