

Leah Meadows

Community Association Manager, LINK

Leah Meadows is a Community Association Manager with LINK Property Management. She brings more than 25 years of industry experience and has earned her designation as both a Certified Manager of Community Associations (CMCA) and Association Management Specialist (AMS). Leah partners closely with each condo and homeowner association in her portfolio, helping them achieve their unique goals through financial guidance, maintenance planning, committee start-up and day-to-day support. An active and integral member of the LINK team, she serves on the Culture Committee, developing opportunities for team members to connect, grow and give back. Whether leading a board meeting or a volunteer initiative, Leah's recognized by those around her for her proactive approach to tackling complex issues and her contagious positivity. When not in the office, you can often find her exploring the outdoors—hiking, swimming and running 5Ks with her son.
